BEFORE YOU BOOK

Eligibility & professional standards

ENTRY REQUIREMENTS

Eligibility varies by course and may depend on existing qualifications, experience and insurance. Evidence may be requested before enrolment.

ACCREDITATION

Only courses confirmed by the academy should be represented as accredited. Certification does not replace professional insurance or permission to practise.

PRESCRIBING & IV THERAPY

Prescription-only medicines require an appropriately qualified prescriber and lawful supply pathway. IV and injectable wellness training is available only to eligible learners.

MODELS & COURSE DATES

Models and course dates are subject to suitability and availability. Full booking terms are provided before payment.

PRICES

Prices are shown in pounds sterling and may change. Confirm whether VAT applies before publication.
